

Activity Pages!

... a companion for your students' **Artists' Monthly** newsletter

2010 - 11

P.O. Box 320563 Franklin, WI 53132-6091

Dear Educator,

Artists' Monthly, the Newsletter for Students of Art, is pleased to offer seven Sets of **Activity Pages** for your classroom use to complement our seven Sets of artists. We invite you to examine and use the enclosed trial **Activity Page** for Leonardo (the featured artist in the trial issue of **Artists' Monthly** included in this mailing). Each of eight **Activity Pages** in a Set is designed to be used with the corresponding issue and Set of **Artists' Monthly**, which contains the information needed to complete the activities. We think this material will enhance your students' use of **Artists' Monthly**. We hope you think so, too, and that you will send in your order!

Each **Activity Page** includes puzzles similar to what you will find in the enclosed trial copy for Leonardo: **SCRAMBLED WORDS, WORD SEARCH**, a crossword **PUZZLE**, and a word game we call **KEY QUESTIONS**. The available Sets of **Activity Pages** are:

- Set I: Leonardo, Holbein, Rembrandt, Monet, Cassatt, van Gogh, Picasso and Warhol
- Set II: Michelangelo, Pieter Bruegel (the Elder), Hals, Vermeer, Rodin, Kandinsky, O'Keeffe and Calder
- Set III: Botticelli, Raphael, Rubens, Velázquez, Degas, Klee, Henry Moore and Louise Nevelson
- Set IV: Thomas Cole, Homer, Remington, Stieglitz, F. L. Wright, Hopper, Maria Martinez, and Pollock
- Set V: Mondrian, Chagall, Miro, Magritte, Hepworth, Rothko, Dali, and Tinguely
- Set VI: Dürer, Goya, David, Daumier, Gauguin, Kollwitz, Rivera and Benton
- Set VII: Fra Angelico, El Greco, Hogarth, Manet, Morisot, Dove, Escher, and Alberto Giacometti

You may order any combination of Sets I, II, III, IV, V, VI and VII – order more than one for a reduced rate! *All Sets of Activity Pages!* and its companion publication, **Artists' Monthly** (ordered separately) are available **NOW**.

Artists' Monthly Activity Pages works the same as **Artists' Monthly**: **one master copy** of each **Activity Page** will be shipped to you (an entire Set in one package). Each purchase grants duplication rights to **one and only one** teacher to make up to **200** copies per regular school year of each **master copy**, **ONLY for the use of the purchasing teacher and his/her students**. Please do not make extra copies for someone else's students, or for any use other than classroom work. The **master copies** will be shipped flat. **Solutions to all puzzles are included.**

We would be pleased to send you information on our other publications: **Artists' Monthly, Composers' Monthly** and **Composers' Monthly Activity Pages!**. Thank you for your consideration. As always, your comments are welcome.
