

Artists' Monthly

The Newsletter for Students of Art

2010 - 11

P.O. Box 320563 Franklin, WI 53132-6091

Dear Educator,

Artists' Monthly, the Newsletter for Students of Art, is pleased to offer seven Sets of artists for your classroom use. Please examine and use the enclosed trial issue from Set I (see Set descriptions below) on Leonardo. Make as many copies as you need for your students. Then, send in your order! Each of eight monthly issues of **Artists' Monthly** features a different artist, including pertinent and appealing information in the same easy-to-follow two-sided format as the enclosed trial issue.

In **Artists' Monthly**, your students will see a picture of the artist and will read "A Letter From the Artist." Other features include "Ask the Artist," "How Well Did You Read?" and "An Art Wordgame" integrated with Newsletter content. The available Sets are:

- Set I: Leonardo, Holbein, Rembrandt, Monet, Cassatt, van Gogh, Picasso and Warhol
- Set II: Michelangelo, Pieter Bruegel (the Elder), Hals, Vermeer, Rodin, Kandinsky, O'Keeffe and Calder
- Set III: Botticelli, Raphael, Rubens, Velázquez, Degas, Klee, Henry Moore and Louise Nevelson
- Set IV: Thomas Cole, Homer, Remington, Stieglitz, F. L. Wright, Hopper, Maria Martinez, and Pollock
- Set V: Mondrian, Chagall, Miro, Magritte, Hepworth, Rothko, Dali, and Tinguely
- Set VI: Dürer, Goya, David, Daumier, Gauguin, Kollwitz, Rivera and Benton
- Set VII: Fra Angelico, El Greco, Hogarth, Manet, Morisot, Dove, Escher, and Alberto Giacometti

You may order any combination of Sets I, II, III, IV, V, VI and VII – order more than one for a reduced rate! *All Sets of Artists' Monthly* and its companion publication, **Activity Pages!** (ordered separately) are available **NOW**.

If you decide to order, and I hope you do, here is how **Artists' Monthly** works: **one master copy** of each issue (an entire Set in one package) will be shipped to you. Each purchase grants duplication rights to **one and only one** teacher to make up to **200** copies per regular school year of each **master copy**, **ONLY for the use of the purchasing teacher and his/her students**. Please do not make extra copies for someone else's students, or for any use other than classroom work. The **master copies** will be shipped flat. **Please note that renewal is not required** for the purchasing teacher's use of **Artists' Monthly** in future years.

We would be pleased to send you information on our other publications: **Artists' Monthly Activity Pages!**, **Composers' Monthly**, and **Composers' Monthly Activity Pages!**

Thank you for your consideration. Your comments are welcome.

Mary MacDonald
